- Schools
- Retail

Features

With this photo printer you are the artist without any limits!

Create your own postcard, souvenir photo, collage and print immediately at the party.

Enlarged roll of photo paper and exceptional ease of use is making CY ideal color sublimation photoprinter for business where seldom and simple replacement of media is important. Because of enlarged printing capacity more prints are possible. Therefore, Citizen CY is an ideal tool for customer-friendly business.

Productivity:

- 4x6' (10x15 cm) 700pcs / roll (€0.1 / pcs)
- 6x8' (15x20 cm) 350pcs / roll (€0.23 / pcs)

Operating Systems:

- Windows XP, Vista, 7 and 8
- Mac OS

Key benefits:

- Larger media capacity – up to 700 prints per roll
- User-friendly – simple set up and quick and easy media changing
- Two finishing options – choose between a glossy or matte surface finish
- Specially made cutter allowing to make pictures in [Insta](#)-format
